REINER JOSEPH B. ENDAYA

✉ reiner.joshe24@gmail.com |☎ 09241454056 | Cuta East Sta. Teresita, Batangas |

PROFESSIONAL SUMMARY

Recent Bachelor of Science in Computer Engineering graduate with a focus on software development, embedded systems, and database management. Proven ability to design innovative solutions and contribute to technical projects through strong problem-solving and analytical skills.

WORK EXPERIENCE

Rakso Computer Technology **June 2025 – August 2025**
Computer Engineering Intern *Aguirre Street in Legaspi Village, Makati City, Philippines*

- **Software Installation & Configuration:** Installed, configured, and updated software applications based on user and operational requirements.
- **Web Development:** Assisted in developing and maintaining web pages using HTML and CSS, focusing on functionality and user-friendly layouts.
- **SQL Database Management:** Organized, queried, and updated SQL databases to maintain accurate and accessible business records.
- **Data Encoding & Processing:** Accurately encoded, organized, and processed event and client information for database and website use.
- **Website Maintenance:** Updated website content, implemented revisions, and assisted in resolving webpage issues to maintain functionality and accuracy.
- **IT Systems Support:** Supported system configuration, network connectivity, software setup, and basic troubleshooting to ensure reliable IT operations.

PROJECTS

Design and Development of an AI-Based Visual Aid for Visually Impaired Persons 2026

- **AI Wearable System:** Engineered a wearable assistive system utilizing artificial intelligence for object detection and improved navigation for visually impaired users.
- **Computer Vision Integration:** Integrated computer vision techniques with embedded systems for real-time assistance.
- **System Testing & Evaluation:** Conducted testing and evaluation to improve system accuracy and usability.

EDUCATION

University of Batangas Brgy. Kumintang ibaba, Bata*ngas City, Batangas, Philippines*
Bachelor of Science in Computer Engineering **August 2022 – June 2026**

CERTIFICATIONS & SKILLS

TECHNICAL & PROFESSIONAL SKILLS

- **Programming:** C++, Java, Python
- **Web Development:** HTML
- **Database Management:** MySQL, SQL, CRUD Operations
- **Embedded Systems:** System Development and Integration
- **Hardware:** Circuit Design and Hardware Troubleshooting
- **Professional:** Problem-Solving, Analytical Thinking, Communication, Teamwork, Time Management

CERTIFICATIONS

- **CCNA: Enterprise Networking, Security, and Automation** Cisco Networking Academy | 2026
- **CCNA: Switching, Routing, and Wireless Essentials** Cisco Networking Academy | 2025
- **CCNAv7: Introduction to Networks** Cisco Networking Academy | 2025
- **BOSCH SO2 Training** University of Batangas | Aug 2025
- **Artificial Intelligence Certification** Sanfoundry | Jan 2026
- **Cyber Security Certification** Sanfoundry | Feb 2026
- **Software Engineering Certification** Sanfoundry | Feb 2026
- **Cryptography and Network Security** Sanfoundry | Mar 2026
- **C Programming Certification** Sanfoundry | Apr 2026
- **Programming for Everybody (Python)** Coursera | Apr 2026
- **Introduction to SQL** Simplilearn SkillUp | Apr 2026
- **JavaScript Certification** freeCodeCamp | Apr 2026
